

You are invited to participate in a community dialogue on the future of Tysons Corner.

The Tysons Land Use Task Force* is hosting approximately 20 community dialogues to identify what is important to the community regarding the future growth of Tysons Corner and how the introduction of rail stations will affect growth. This series of dialogues will be the initial step in gathering community input on the future of Tysons.

A series of community dialogues are being scheduled for the residential, business and non-profit communities in the Tysons area.

Please call the Tysons Community Dialogue Hotline at (703) 324-1344 for scheduling information.

Reasonable accommodations will be made upon request. Please call 703-324-1334, TTY 711, for more information.

What will happen at the community dialogues?

Residents, business and property owners, commuters, and nonprofit organizations will meet in groups of 30 to 50 throughout Tysons Corner to discuss their values and concerns regarding growth and development throughout Tysons and near proposed rail stations. Participants will be provided a short presentation on Task Force activities, followed by small group discussions to identify their values and concerns and then share the results of these discussions with the entire group. The results of all dialogues will be captured and included in a final report for the Task Force.

What will happen with the input provided through these dialogues?

The Task Force will use the input from the dialogues to help shape their recommendations about revisions to the Tysons Corner Comprehensive Plan. The Task Force will develop options to be considered in the Comprehensive Plan and provide additional opportunities for public input in the evaluation of those options before any final decisions are made.

How can I provide input?

Dialogues are being scheduled throughout January and early February. If you are unable to attend a dialogue, you may provide your comments online at <http://www.fairfaxcounty.gov/dpz/tysonscorner>

Please RSVP

Please call the **Tysons Community Dialogue Hotline at (703) 324-1344** to reserve a space for yourself in one of the dialogues, or send an **e-mail to tysonscornerspecialstudy@fairfaxcounty.gov**. Dialogue locations have different capacities, please let us know that you are coming so that we can accommodate as many people as possible.

* The Fairfax County Board of Supervisors appointed the Task Force (officially called the Coordinating Committee) to update the 1994 Tysons Comprehensive Plan in order to promote mixed use, facilitate transit-oriented development (TOD), enhance pedestrian connections throughout Tysons, increase the residential component of the density mix, improve the functionality of the area, and provide for amenities and aesthetics such as public spaces, art, and parks. The Task Force is also charged with the coordination of community input on the potential changes in the Comprehensive Plan.
